47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As an individual with a degree in economics I would highly recommend that you allow for competition for the huge corporations. This will allow for better service at better prices. Companies such as Sonic I believe do an excellent job at providing service to their customers. They should be allowed in the future to continue to provide healthy competition.
